RESUBMISSION OF FORMAL DRAWING

Commissioner for Patents
U.S. Patent and Trademark Office
P.O. Box 2327
Arlington VA 22202

Sir:

Applicant filed the present patent application including informal Figs. 1-29 on October 19, 2001. Applicant subsequently submitted formal drawings of Figs. 1-29 on March 5, 2002. Applicant has recently noticed discrepancies between informal Fig. 2B as originally filed, and Fig. 2B submitted as a formal drawing.

Accordingly, Applicant hereby resubmits Fig. 2B, which is a formal drawing of informal Fig. 2B as originally filed, and is fully supported by the specification (see. e.g. Paragraphs 76-77). A copy of informal Fig. 2B as originally filed is also enclosed.

Approval of this re-submitted formal Fig. 2B is respectfully requested. No fee is believed necessary to consider this request. However, if any fees are deemed necessary, please charge Deposit Account 17-0055.

Respectfully submitted,

William H. Bushong, et al.

By:
